

IOWA CLUB IS HOST TO SAMMIES

Entertainment of the Iowa soldiers from the local military posts by the Iowa Club last Saturday evening at the amusement hall of the Y. M. C. A. proved to be all satisfactory entertainment to the members of the club as it was to the enlisted men.

A unique feature of the evening was the sticking of red flags in a big map of Iowa. As the name of a county was called all the soldiers present from that county went forward to the platform and placed their flags. It was noticeable that a county like Story, in which is located the Ames State College, had a particularly large representation, as did other college counties.

Another interesting discovery of the evening was the meeting of former friends by the Iowa enlisted men among the other soldiers. Many of them had listed since the war began, and their former friends had done likewise, but gone into different branches of the service with the fact unknown to each other.

The refreshments for the evening were declared to be strictly characteristic of Iowa, as pumpkin pie and apples were given the place of honor with the supplies of ice cream and coffee. One of the speakers was U. S. Attorney S. C. Huber, who said, in part:

"No other state in the union has so much good land from corner to corner as Iowa. It is an agricultural state, and the boys from the farms are the true Iowans. The state is good, through and through, agriculturally speaking, and it has produced a citizenry that is equal to its agriculture."

"President Wilson's words to the first contingent of American boys to France, 'The eyes of the whole world are on you,' seems to me particularly applicable to our Iowa boys here in Honolulu. You are from a clean state. There's not a town in Iowa with an open saloon. You are a product of clean living and clean thinking, and, boys, go back to your homes clean."

Judge Huber went on to say that there would never be a time in his office or in his home when he would be too busy to help a khaki-clad boy from Iowa.

Bishop and Mrs. Restarick were other prominent Honolulu Iowans who were present.

Another Iowa evening will be given at the Y. M. C. A. or some other suitable place about Christmas time.

A meeting of the Punahou Mothers' Association, the first of the year, is being held this afternoon in the Charles R. Bishop hall.

EAT WHAT YOU WANT WHEN YOU WANT IT

People who consistently deny their appetite some particular dish appealing especially to their palate, because indulgence has always meant subsequent suffering, will think this a strong statement. It is a fact, however, that most people can, without fear of distressing consequences, indulge the appetite within reason if the bowels are active and regular.

Heavy dinners and late suppers can be enjoyed with impunity if, before retiring, one will take a spoonful of Dr. Caldwell's Syrup Pepsin, a mild combination of simple laxative herbs with pepsin that digests food for fifty cents a bottle. Gentle in action and positive in effect, it regulates the bowels in an easy, natural way without gripping or other discomfort, and is the ideal family laxative. Get a bottle of Dr. Caldwell's Syrup Pepsin from your druggist and keep it in the house. Use it occasionally and you will find you can eat almost anything like without fear of consequences. A trial bottle can be obtained free of charge by writing to Dr. W. B. Caldwell, 436 Washington St., Monticello, Illinois.

DUTCH VESSEL VISITOR HERE

Hawaiian sense of humor was politely suppressed for 15 minutes today while the vain attempts of the Chinese crew of a Dutch steamer to lower a gangway was watched. Then the Chinamen lost their temper, while threatened with a wetting from a passing shower, and the Hawaiian seafarers gave way to their laughter. Chinese, Japanese, Dutch, Malay, Hawaiian and English advice was tossed freely to the angered Chinese.

One of the Chinese sailors finally lost his temper sufficiently to exert a little strength on the gangway castings and down it came after 25 minutes of delay, which a little intelligence and effort should have reduced to about two minutes. It was a bit of good waterfront comedy while it lasted, but sadly significant of what might have been the fate of the passengers if there had been haste in lowering it.

This Dutch steamer made good passage from San Francisco which it left on October 15. She had only one bag of mail. While here the vessel will take on 500 tons of coal.

There are about 50 cabin passengers, most of them Dutch business men who show much evidence of prosperity. Even among the 75 cabin passengers there is evidence of the war prosperity of Holland and Java. There are 15 passengers in the third cabin. Only three Americans are included among the passengers, all of the rest being of Dutch or Japanese extraction.

An order was issued out of federal court today, returnable in 10 days commanding W. F. Johnson and F. E. Richardson to appear and show cause why a penalty of \$100, imposed upon each of them, should not be made final.

Johnson and Richardson were summoned to appear in court at 10 o'clock this morning for jury duty, but they were not present when the tribunal was called to order for the new term.

Herbert M. Ayres, a reporter on the Advertiser, was later included when the fine was imposed, but it was later shown that he had served within a year. The fine was remitted and he was excused for the term.

The Woman's Auxiliary and Guild of St. Andrew's Cathedral will hold its regular meeting at the Parish House tomorrow at 2:30 p. m. The members are requested to bring thimble, needle, thread and scissors as Red Cross sewing will be prepared.

BOY SCOUTS, ATTENTION.

It has been decided that the scouts of Honolulu shall not try to sell any more Liberty Bonds from now on, so that it cannot be said that we had so much more time than the scouts on the mainland. You can get signatures from those who have already promised, but do not try for any new ones. Get all your signed pledges into headquarters at once, so that we can check them up and see which of your customers have not yet been to the bank or company to make out their applications and pay their 2 per cent.

MADAME QUEVILLON IS TEACHING FRENCH FOR BENEFIT OF ORPHANS

Madame Quevillon, who has been making such a success of her French teaching since coming here last February, has reopened her classes for the benefit of French orphans, and is having a most gratifying attendance. These classes are held every Monday and Thursday. There are three of them, the first being open to everybody, and held in Madame Quevillon's home, 317 Richards street, from 1:30 to 3:30 o'clock. This is a double class, taking beginners the first hour and advanced pupils the second. The Y. W. C. A. class is from 5 to 6 o'clock, and the Y. M. C. A. class from 7:30 to 8:30 o'clock, Mondays and Thursdays. The "Y" classes are open to members only.

Except for a small percentage paid to the two "Y's" for use of the classrooms, every cent of the money taken in by Madame Quevillon for these benefit classes goes to the French orphans. She keeps nothing for herself. She has, however, about 245 French pupils at Schofield and Castner, among the soldiers and enlisted men, and these pay for their lessons, so that the American soldier is doing his "bit" for the French orphans, in a way, by making it possible for this French teacher to keep on with her benefit classes.

Madame Quevillon has two sons in the aviation corps.

APOPLEXY FATAL TO MRS. STOBIE

Mrs. Eliza McCarroll Stobie, wife of Mr. E. A. Stobie of the First National Bank, died at the Stobie home, corner of Keeaumoku and Dominick streets, Saturday evening. Mrs. Stobie had been ill for months, the apoplexy stroke suffered on Saturday evening a week ago being the fifth during the last two years. Although during the last months of her life she suffered continuous pain as a result of her physical condition, she was bright mentally and the center of a very happy circle of friends.

Mrs. Stobie was a native of Canada, but moved to Detroit where she married Rev. Dr. Reid, a prominent Episcopal clergyman. Her brother, Canon McCarroll, is now connected with St. Paul's cathedral in Detroit. After the death of her husband she went with her son, Reginald, to Europe where he completed his medical studies, and in 1895 they came to the islands. While living in Hilo with her son she met and married Mr. Stobie, returning to Honolulu when Mr. Stobie returned to the First National Bank. Soon after coming to this city the Stobies built their very artistic home in the Makiki district.

Mrs. Stobie's body will be taken to Hilo by the outgoing Mauna Kea, the burial, at her request, to be beside her son Reginald. The funeral services in this city will be held at the Stobie home tomorrow, Tuesday, afternoon at 4 o'clock. Canon Ault will conduct this service.

In memory of their late husband and father, Mrs. William L. Moore and children yesterday presented a beautiful silk flag to St. Andrew's cathedral.

John Sniffen was arrested on a charge of failure to support his family, and Ah Pong and Henry Range were locked up on an assault charge. Cecil Rivera, Kimimaki and Sol Kaiwi were booked for investigation. Joseph Silva was arrested for reckless driving.

SOLDIERS ENTERTAIN FRIENDS AT BARRACKS

On Friday evening the enlisted men of Detachment Co. E, 25th Infantry, gave a delightful entertainment and social through the kindness of their detachment commanders, Lieuts. John S. Hopper and Tom L. Shipp. Singing, dancing and boxing constituted the chief amusements of the evening. Music was furnished by the 25th infantry band under the supervision of Chief Musician King.

There was a slight intermission during which refreshments were served. There were quite a few women from Schofield and Honolulu present and also many civilians who live in the vicinity of the camp.
